

Come Ye Out of Religion

I am assuredly, outrightly and boldly without reservation of any likelihood of an iota of ulterior motive saying every man and woman, living and existing on this face of the earth to completely, entirely and totally come out of the spirit of religion into the Spirit of the Living God in the person of Jesus Christ, which is the divine relationship between divinity and humanity, between immortality and mortality; between celectiality and terrestriality; between invisibility and visibility; between intangibility and tangibility; between He who is all the everlasting powerful and he who is all timed powerless; between the undying and dying; between God and men; and between Creator and creatures. The highly mysterious and everlasting expensive reason regarding this disquisition is that religion is God outside devil inside; religion is man outside beast inside; religion is saint outside sinner inside; religion is heaven outside hell inside; religion is angel outside demon inside; religion is friend outside foe inside; religion is peace outside pistol inside; religion is darling outside death inside; religion is grapes outside; grave inside and etcetera

Therefore religion is mephistophelian, ideological, superstitious belief that has been sold out to countless numbers of people who have on their own accord chosen to be subaltern, mediocre and gullible to every fallen everlasting spirit help of one thing or the other, forgetting that it was the same issue of help or helping issue from the ever first fallen everlasting spirit serpent, the beast called the devil, the source of every religion that made Adam and Eve to fall from the first everlasting divine relationship into suffering, torment, deceit, oppression, being made merchandise, taken as a prey and an indefinite enslavement by religion. Religion has enormously or elephantly contributed to an unimaginable and unbelievable impoverishment in every nook and cranny of Nigeria and Africa. Religion has done us no good at all, instead it has much more damaged, punctured, crippled and completely dismembered the person of our economic entity, the ripe hour has come that everybody should look less on religion and see much more of its hidden agenda and motive. Here is the definition of religion as the Spirit of God revealed it to me. Religion is an ideology of man that the people have in covenant secretly entered, to create fear, oppress hold people captive and prey, to kill and eliminate anybody who stands an opponent against them for their own selfish end and defence.

Therefore Religion is the devil in disguise, chose to run away from it, say everlasting bye bye to it and from now on make a new decision to accept and receive Jesus Christ into your life as your Lord and Saviour for an everlasting divine relationship with God because only Jesus Christ is God outside God inside; love outside love inside; mercy outside mercy inside; righteousness outside righteousness inside; holiness outside holines inside; truth outside truth inside; peace outside peace inside; salvation outside salvation inside; life outside life inside; resurrection outside resurrection inside; heaven outside heaven inside; eternal life outside eternal life inside; and etcetera. You can find this in the bible in the gospel of John 1:1-4, 14,16; John 3:16; John 10:10, 30; John 11:25-26; John 14:6, 9-10; Matthew 3:16-17; Matthew 17:1-3; Matthew 28:28; Mark 2:5, 9; Mark 3:10-11,14-15; Mark 5:6-8, 28-29, 41-42; Philippians 2:6-11; Hebrews

2:14; Hebrews 4:15; Hebrews 12:2; Revelation 12:11. Also in quran 3:42, 45,49,52-53,55,59; quran 4:171; quran 19:17,19,21. Go through any of these listed chapters and verses from both the bible and quran for substantiation and confirmation.

Till another time on this same platform for more of God's heart beating, touching and timeless messages through the golden pen of the Holy Spirit and ink blood of Jesus Christ altogether in a two-edged sword of the Word of God to every creature. Thank you. Shalom.

Evangelist Paul Balogun.
