

## **Not Religion and Law but Relationship and Love**

.....From now on, let everyone who lives as a human being believes and have the concern to quit religion for relationship, law for love, condemnation for justification, destruction for salvation, this is where you become one with God. Please, everybody listen to this, any form of religion whatsoever in life, is always God outside, devil inside, if it were not so, religion operates in law and by law, no man can be perfect, it means law condemns and condemnation destroys. This is it again, if religion were to be of God, it would not have taken the law into it's hand to judge and condemn people.

.....This is how you will know that it is false. For anybody to sin against God, you must have sinned against your neighbour and the only thing that will prompt you to sin against your neighbour, is because your love is absent for him or her, for your hatred to operate and your hatred has no limit of what it can damage or destroy concerning your neighbour; this is where you have actually and undeniably sinned against God. It is often said that religion is a way of life, yes it is fantastic but not realistic because anything good for living physically such as feeding well, drinking good water, residing and dwelling in a clean and well sanitized house and environment, trouble and crime free life, supply and availability of every essential requirement and etcetera are also a way of life.

.....However, there is one way of life that does not limit to the life of time only but a way of life of all life, with no ending to eternity, which is never religion but relationship. He does not operate in law but in love neither does He condemn but always justifies, instead of being hypocritically God outside, devil inside, it is ultimately rather God outside, God inside and this is in the person of Christ, of course Christ life that makes whosoever practices it a Christian. As it is written, John 14:6 says "Jesus saith unto him, I am the way, the truth and the life: no man cometh unto the Father, but by me". You in the world on earth without Christ, your life is expirable, you in Christ with the Father, your life is eternal, settled in Jesus mighty name, amen !!!
