

## **The Abolition of Enslavement of People**

There is a huge number of mountains who are the reason for an incalculable valleys in Nigeria and until the way of the Lord appears to overtake the way of the evil ones to straighten every aspect of life that is available for people to walk through, those mountains will not be brought down to fill the valleys. What I am spiritually saying, is that there ought not to be great number of extremely ugly valleys scattered everywhere which has oppressively made the less privileged ones subjected and suffered and ignominious disregard, mistreatment and marginalisation. This is it, if the way of the Lord should truly be allowed to play a prominent role in the societies of the people of Nigeria, then those huge mountains must be judgementally brought down to fill every scattered valley and make almost every available way to be equally leveled for every individual to be recognised, regarded, with an equally balanced economic, benefit and treatment.

This of course will fulfill the saying of the Lord in Isaiah 40:3-5 which says "the voice of him that crieth in the wilderness, prepare ye the way of the Lord, make straight in the desert a highway for our God. Every valley shall be exalted, and every mountain and hill shall be made low: and the crooked shall be made straight, and the rough places plain: and the glory of the Lord shall be revealed, and all flesh shall see it together: for the mouth of the Lord hath spoken it". All the flesh meaning every mortal person with the living breath of God has not been privileged to have an access to the glory of God. What does it mean to say the glory of God as far as Nigerian nation is concerned, the glory of God is what brought about economic power, blessing prosperity and riches in the country. The glory of God is the economic honour and favour of every good thing that Almighty God conferred on Nigerian people.

Talk of it, mineral resources, human resources, great talents, academicians, great men of God, the genuine and well to do billionaires who are not politicians, who know how to turn little to multiple, the extremely fertile land, favourable climate and the spirit of endurance and tolerance that is holding us to be one nation and much more of such which every individual Nigerian irrespective of tribe, ethnic group, religion, language, geographical location and class; must be entitled to benefit from and have an access to; and to stop applying sorcery and witchcraft to hold people's willpower of positive thought captive from attacking and opposing every evil deed; directly or indirectly applying sorcery to bewitch and subjugate the will and mindset of almost ninety-two percentage of an individual Nigerian from being able to differentiate between peace and evil, right and wrong, legal things and illegal things.

The source of this mephistophelian and diabolical power is nothing but different groups of cultism in Nigeria that has spread everywhere and is now being used as the determining factor of every policy making in Nigeria and men of God who are divinely called to preach, attack and frown against cultism that became the source of every evil influence have turned blind eyes and kept silent; and it is only in money making and pretentious way they will come out against it, to say whatever any evil power or cultist that is holding anybody captive, will break loose. What is

it that will break loose which has not come to an end to make Nigeria and the lives of Nigerians better. The only Godly and the true way of preaching and attacking cultism is what happened in the days of Prophet Elijah. In the book of 1 Kings 17:1, it says "and Elijah the Tishbite, who was of the inhabitants of Gilead, said unto Ahab, as the Lord God of Israel liveth, before whom I stand, there shall not be dew nor rain these years but according to my word".

Also the book of 1 Kings 18:24 says "and call ye on the name of your gods, and I will call on the name of the Lord: and the God that answereth by fire, let Him be God. And all the people answered and said, it is well spoken". Hear these words of Elijah against the president of a nation who was in cultism, in 1 Kings 18:17-18 "and it came to pass, when Ahab saw Elijah, that Ahab said unto him, art thou he that troubleth Israel? And he answered, I have not troubled Israel; but thou, and thy father's house, in that ye have forsaken the commandments of the Lord, and thou hast followed baalim". 2 Kings 1: 10 says "and Elijah answered and said to the captain of fifty, if I be a man of God, then let fire come down from heaven, and consume thee and thy fifty. And there came down fire from heaven, and consumed him and his fifty". This is the divine revelation, both cleansing and healing of a nation lies in the hands of men of God, after killing and destroying all the cultists in all the lands of Israel and Jericho.

This time around it is not about taking care of the surface of the problem but go straight into the root of the problem and uproot it once and for all. Contrary to what most men of God are doing today as if they are working for God, the preach and pray to take care of the surface of the problem of the country which has no any effect whatsoever in the country as to go into the root of the problem and uproot it out. To outrightly frown against wickedness and attack the cultism as Elisah did in 2 Kings 2:19, 21, 22 "and the men of the city said unto Elisha, behold, I pray thee, the situation of this city is pleasant, as my lord seeth: but the water is naught, and the ground barren. And he went forth unto the spring of the waters, and cast the salt in there, and said, thus saith the Lord, I have healed these waters; there shall not be from thence any more death or barren land. So the waters were healed unto this day according to the saying of Elisah which he spake".

It was the root Elisah dealt with here not the surface. In the daily preaching of any man of God, if truly we want Nigeria to be excellently better and progressive in every sphere of life, our daily preaching must always frown and attack cultism and wickedness. This is the naked truth, I am spiritually sincere and honest to reveal to you, that cultism any where in Nigeria, is the source and projection of every corruption and wickedness and this is what it has come to achieve; to render both divine and human constitution meaningless and void. In the condition of total darkness, if one out of the two laws fails to prosper and accomplish its purpose, at least the other one must prosper and accomplish its purpose. Let's take the western world for instance, the law of God which is the Word of God no longer prosper and achieve its purpose but their human made law, which is their constitution does, in reference to Nigeria, where both the law of God, which is the Word of God and human made law which is the constitution do not have

anywhere to prosper not to talk of achieving the purpose. Therefore, Psalm 68:1-2 must come to pass in this country.

Men of God want people to celebrate them and never to hate them because of their alliance and compromise with the darkness because John 7:7 says "the world cannot hate you; but me it hateth, because I testify of it, that the works thereof are evil" also in John 15:18, it says "if the world hate you, ye know that it hated me before it hated you". Regarding this, Matthew 23:15 is saying "woe unto you, scribes and pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves". This means woe unto the men of God who are in pretense, preaching the gospel for making and acquiring money and wealth, going from one city to another and all over the world to win souls of sinners and later make them much more two times children of hellfire than themselves. This is a revelation and he or she that has an ear, hear what the Spirit of God is saying and obey it. O you predatory, destructive callous, unGodly, self centered, shameless, billionaires and trillionaires, no matter what you are, who you are and how you are?

One day you will end up in an eternally isolated and confined six feet dark room of an exit to eternity, in that the underworld you had neither aquired material nor enjoyed any pleasurable thing; regarding that realm, there would never be a sensational conscience of what material or pleasurable things you had once acquired or enjoyed before. Hear what the Spirit of the Living God is saying, be preparing for the blood crying of woe and judgment concerning countless number of people who died, who through untimely death lost their lives as a result of bad management and ugliest corruption at all levels of government parastatals and civil service which of a truth had made so many non entities; the huge mountains of dollars, pound sterling, euros, yuan, naira, ship house, palatial building, penthouse, fleet of jets, fleet of world's most expensive cars, chain of businesses across the globe, share in almost every world most classified business at the detriment countless valleys of people wallowing in a pool of suffering, torment, impoverishment, lacks, hardship, dilapidated killing roads, worn out infrastructure every where, unemployment, fear of the unknown, insecurity, poor health, malfunction in every government parastatal and civil service and ecetera.

To this end, people have lost eighty-two percentage of their dedication, commitment, loyalty, faithfulness, sincerity and honesty as a patriot to their country; who will take all these blame for things to be divinely, economically and socially corrected. They are nobody other than mephistophelian, diabolical and unGodly huge mountains of ill-gotten wealth that must be brought down to fill the valleys to be equally leveled, so that the glory of God's blessing, prosperity and riches of every good thing in every aspect, that makes a better life will be accessible to every individual in the Nigeria in Jesus mighty name. Till another time on this same platform for more of God's heart beating, touching and timeless messages through the golden pen of the Holy Spirit and ink blood of Jesus Christ altogether in a two-edged sword of the Word of God to every creature. Thank you, Shalom.

Evangelist Paul Balogun.
