

## **The Hypocritical Foul Cry !!!!!**

Why this hypocritical cry of 'islamisation of Christianity' when there should be so many cries of 'nisation and lisation' for example, monetisation of Christianity, family business organisation of Christianity, commercialisation of Christianity, sowing of seed plantation of Christianity, fake miraculization of Christianity, wealth aggrandization of Christianity, traditionalisation of Christianity, indoctrinisation of Christianity, self personalisation of Christianity, politicisation of Christianity, westernisation of Christianity, philosophilisation of Christianity, idealisation of Christianity, religionisation of Christianity, brainwashnisation of Christianity, hypnotisation of Christianity, bewitchnisation of Christianity, dehumanisation of Christianity, voodooonisation of Christianity, bastardization of Christianity and 419nisation of Christianity.

All of these put together ought to be the very reason why every member of the body of Christ should be painfully crying for the consequences of what Jesus Christ said in the book of Luke 18:8b that says "nevertheless when the Son of man cometh, shall He find faith on the earth", after which the crying of islamisation of Christianity should come up and make a meaning. What I am indirectly and directly saying is that, if we had been Christianly faithful, sincere, honest, determined, dedicated and committed in the years past to bear the Christian faith responsibility and to know that;

-any evil you fail to rebuke will later come up rebuke you;  
-every slave you are fearful or timid of to bind and limit, will later come up to bind and limit you;  
-every thief you fail to catch will later come up to catch you;  
-every barbarian you fail to dominate will later come up to dominate you;  
-every enemy you fail to kill will later come up to kill you;  
-every war you fail to war against will later come up to war against you;  
-every unfriendly friend you fail to do away with will later come up to do away with you and  
-every fight you fail to fight will later come up to fight you.

Thus, how would it be hearable that the dog has turned back to fight the lion;  
-how would it be acertained that the dead has risen to attack the living;  
-how would it be perceived that the donkey has turned to ride the owner;  
-how would it be definite that the master is now serving the slave;  
-how would it be discovered that the below has come up to rule the above;  
-how would it be justifiable that the darkness has come up to govern the light;  
-how will it be righteous that the beast has come up to lord over man;  
-how would it be divine that hell has come up to dominate heaven? This is therefore a revelation to the body of Christ that so many 'nisations' or 'lisations' against Christianity that we ought to have fought and attacked which we had complacently, pretentiously and deliberately turned blind eyes against as though they do not matter or were irrelevant, all of

which has now permitted and brought in the mindfulness of Christian social club, carnal entertainment Christian life, comedy, amusement, banqueting and theatrical form of emotional or body language excitement.

This of course, has largely opened the door for any 'nisation' or 'lisation' that wants to come in for an integration or take over; which if we fail to bear the responsibility that we ourselves are the reason for all these 'nisations' or 'lisations', which we are making foul cry against and repent from our hedonistic objectives of things that are ephemeral to seek the face of God for forgiveness of all our sins of the love of material things, pleasurable things, power and positioning things; there would be nothing we could do to prevent the intrusion and invasion of all these 'nisations' and 'lisations'. I pray that Almighty God will give us the grace for genuine repentance to accept the responsibility to adjust, modulate and amend our ways of Christian life in Jesus mighty name, amen. Till another time on this same platform for more of God's heart beating, touching and timeless messages through the golden pen of the Holy Spirit and ink blood of Jesus Christ altogether in a two-edged sword of the Word of God to every creature. Thank you. Shalom.
